## 1899 Premo

Are coming in all the time new. The cut shows the 1899 model LONG FOCUS PREMO. This camera is patented, but that doesn't keep the cheap makers from imitating it to some extent. It is the finest thing in the camera world. Three cameras combined in one. The price \$35 for 4x5 size, is easily within the reach of any one wanting a good instrumen

The 1899 PREMOS will be in the hands of Eastern dealers after May 1, but as our season is always open, we are able to get some of our cameras carlier. You want our elegant art catalog, replete with reproductions of fine photographic work. Free.

Some think because PREMOS are the finest cameras made, they are all high priced. We have PREMOS from \$5-up, and a world-beater at \$15

### PALM SUNDAY

A Holy Week of Widely Varying Significance.

This is Palm Sunday, the beginning of Holy Week, or as it is called in the Roman, Passion Week. In the Latin and Greek churches, though. Passion Week precedes Palm Sunday and begins with Passion Sunday. This is the last week of Lent. It is called holy because it is commemorative of Christ's death. It has been given various names in different countries and different ages. In the middle ages it was called the authentic week. In Germany, Denmark and Norway and Sweden it is known as Still week.

A distinguishing feature of its observance is a rigorous fast. The early Christians took only one meal a day. in the evening, of bread, salt and

changed daily in significance of the gloom and danger which was gathering around Him. The doleful Misercre fills the darkered churches. The fifteen candles representing the light of Christ and the prophets who have foretold His coming are extinguished, all but one, a flickering beam in the darkness of the world. The lowest

The following is a description of the return of light and joy.

"On Good Friday the altar is denuded to signify the desolation of the church, the prophecies are sung which pertain to the story of Christ's suffering, the whole body of the faithful perform whole body of the faithful perform.

"The custom to open the door for 'All yohwe Hanovy' (Elias the prophet), and to have a glass of wine to the story of Christ's suffering, the prophet in case he should appear, originated in this wise: According to the Talmud, the Prophet Elias other day that segregation was again defeated and that the symmetry of the suffering to the Talmud, the Prophet Elias other days that segregation was again defeated and that the symmetry of the suffering to the Talmud, the Prophet Elias other days again desorbed and the symmetry of the suffering to the Talmud, the Prophet Elias other days again desorbed and the symmetry of the suffering the suffering to what is called the adoration of the ing to the Talmud, the Prophet Ellas

"On Saturday the services begin by the blessing of the 'new fire,' obtained from flint and steel, because our true vital light and warmth come from Christ, our Rock; the blessing of the paschal candle, an emblem of Christ arisen; the chanting of all the prophetic passages of the Old Testament pointing to Christ's resurrection; this manner his eageness to welcome the forerunner of the expected Messiah. "The Haggadah ends with an ode called 'Chad Gadyo,' It is dedicated to the destrine of immortality, and runs thus; My father bought a kid, and the paschal candle, an emblem of Christ arisen; the chanting of all the prophetic passages of the Old Testament of the expected Messiah. "The polls closed at 4 e'clock, while many voters understood that they would be kent open until six. One installment of nineteen worker came to the polling place after the count was begun and others kept discount was begun and others kept di ment pointing to Christ's resurrection; fire then consumed the stick, and in Scott, who it was currently reported

A demurrer was also filed to the complaint denying the jurisdiction of the court. The questions raised were not those of law or fact but was leg-islative or political questions. The legislature in enacting the law providng this manner of extending the city mits could not, in contravention of the court. Numerous decisions were cited by the attorneys for the additions, which served to cover precisely similar cases.

City Attorney Bennitt made reply in the afternoon. He admitted that leg-islative functions could not be defegated to the judiciary, but deuled that it had been done. He read a lengthy decision from a federal report in the Hammond, Ill., case, in which the gu-preme court of the state had taken the osition occupied by the attorneys for the addition. But the case had been reviewed in the United States circuit court, which held that while the que tions to be passed upon were not mat-ters of law or fact, they were questions of which some one must be the judge. The legislature in the nature of things could not be and the exercise of this judgment was in no sense the exercise court decision in this review included all the cases cited by the attorneys for the additions.

The case was taken under adviseent by Judge Street. In the attachment cases of Kessler & oyle and J. W. Dorris vs C. H. Riebjudgment was taken by stipulation.
